Website: www.nhrwwo.com, Helpline: +91 7992481330

Ref. No:- NHR/HO/124/23

Date:08 September 2023

To,
All respected members of Organisation,

For the last few days, it has been found that many members, even after leaving the organization, are using their personal vehicles by putting a board with the name of the organization on them.

Thus, to prevent misuse of the name of the organization, it is decided that member who have left the organisation or their membership has been terminated has no right to use a board with the name of the organization on his personal vehicle. If any member does this in future, or caught in any kind of dispute the organization will not be held responsible for it nor any assistance will be provided.

At present, any member who is using the board on his personal vehicle should inform the National Secretary and get the information registered in the office, otherwise if it is found out later, his membership will be cancelled.

P. K. Singh
